

Profile

I am currently a certified Spanish Teacher with 6 years of experience who recently earned TEFL certification. I love to teach Spanish but when I studied abroad in Mexico as an undergraduate student in college, I had the opportunity to Teach English at a Primaria called Juan C. Bonilla in Cholula Puebla. I was very fond of this experience and with my new skill set, I am looking to teach in Latin America again. My goal is to bring my teaching experience to Chile to help students gain proficiency in my first language, English.
