Education	<p>2010-present – Nations University – Bachelor of Religious Studies (online studies)</p> <p>2002-2004 – Forrai Academy of Business, Budapest, Hungary – Certificate Management and Business Administration- Executive assistance</p> <p>2001 RMIT Melbourne – English For Academic Purposes - two week course</p> <p>2000-2002 Monastic experience, Camperdown, Australia – lived and worked alongside the monks, participated in all aspects of community life</p> <p>1998-1999 Early music study abroad programme – Hungarian Society of Early Music/Royal Academy of Music scholarship</p> <p>2004 i-to-i TEFL</p>
Personal details	<p>I was born in 1979 in the Ukraine to Hungarian parents. I spent my childhood with my grandparents in the Ukraine before moving to Hungary to live with my mother. I have lived in England and Australia for a number of years. Currently I live in China and work as a teacher trainer and teacher.</p> <p>I am professional in appearance and in my approach, and work to very high standards. My hobbies include travelling, photography, music, reading and cycling. I have travelled extensively throughout Europe, north-Africa and Asia. I am a fit and active person who enjoys meeting people from other cultures. I am passionate about teaching and facilitating learning.</p> <p>I speak native Hungarian and Mandarin Chinese at an elementary level. I also read and write in Cyrillic at an elementary level. My language learning experiences have helped identify the issues many second language learners are suffering from and, this has enabled me to adjust my teaching in order to provide my students with a better learning experience and achieve learners' goals.</p>
