Objective Overview

I want to obtain the position of ESL teacher in a school where I am able to use my skills and TEFL Certification. I view teaching as a dynamic and interactive process and will strive to provide a positive learning environment.

Education and Certification

TEFL/TESOL Certified, International TEFL Academy, January 2011

- 150 Hours of course work
- 20 Hours of student teaching practicum

Clark College, Vancouver, Washington- General Course Work

- 2 Year Volleyball Scholarship, September 2006-June 2008

Work Experience

Account Specialist

State Farm Insurance

July 2007 - January 2011

- Prepared insurance applications and other required forms
- Assisted clients with policy and billing questions
- Provided marketing and sales support, and tracked confidential client information

Software Used: Microsoft Office, Outlook, Goldmine, and three State Farm specific databases.

Coach

Excel Volleyball Club

November 2007 – May 2009

- Coached 12-year old girl's team
- Developed practice plans, team drills and conditioning routines
- Taught skill clinics and district rules to all players
- Worked one-on-one with players on specific techniques
- Supervised players during out of town tournaments
- Served as referee for tournament games as required.
